

HARVARD MUSICAL ASSOCIATION

ARTHUR W. FOOTE AWARD 2021 APPLICATION FORM

The Harvard Musical Association presents one Arthur W. Foote Award each year. In addition to the recognition that the award carries, the recipient(s) receives a \$5,000 honorarium and is presented in a concert at the Harvard Musical Association as part of its regular concert season. Appropriate travel expenses and the cost of a collaborative musician, if needed, will be covered in addition to the honorarium.

The **Foote Award concert will take place on Thursday, April 14, 2022 at 7:30pm** at the Harvard Musical Association, 57A Chestnut Street, Boston. Please confirm your availability on this date before applying.

Applications are due by November 15, 2021. Applicants must be enrolled in the nominating school for the 2021/2022 academic year. We will accept not more than two nominations from each School. *We will inform applicants of our selection by December 31, 2021.*

The application consists of this completed application form, a document containing a list of links to a selection of up to six performance videos (annotated as to whether the performance is edited), a letter of recommendation from the applicant's institutional nominator, and a CV. Judging will consist of close review of the musical selections submitted by the applicant. Providing a varied repertoire is recommended, as are live, unedited performances. We recommend that solo or chamber music selections be submitted rather than performances with orchestra, since the prize is a recital presentation. A live audition may be requested, subject to scheduling. Additional letters of support may also be included.

Applicant Information

NAME (if an ensemble, list all names here): _____
